19. [REDACTED] LEGISLATION Spoke with Mr. George Gilbert, OMB, Office of Legislative Reference, who informed me that Justice has not yet been able to comment on CIA proposed amendments to the Federal Tort Claims Act (S. 3314). Mr. Gilbert did, however, state that Justice does not believe the bill has a chance of passage this session. This merely confirms earlier similar reporting from our sources on the Hill.

20. [REDACTED] FOIA/LIAISON Received a call from Gail Zauder, in the San Antonio District office of Representative Robert Krueger (D., Texas), who was inquiring on behalf of a constituent who wanted to find out how the constituent could obtain any information that the CIA may have on him under the Privacy Act. Per [REDACTED] request, I informed Ms. Zauder that the constituent should write to [REDACTED] Information and Privacy Coordinator, Central Intelligence Agency, Washington, D.C. 20505. I informed Ms. Zauder the need for proper identification to start search of Agency records and that the search would take approximately six to eight months depending on what, if anything, was located.

21. [REDACTED] LIAISON Called Cliff Fowler, GAO, to set up a meeting between Agency representatives and himself to discuss suggested Agency changes in the draft GAO report on [REDACTED]. The meeting is scheduled for 24 August, at 9:00 a.m., at Headquarters.

22. [REDACTED] LIAISON Accompanied [REDACTED] and [REDACTED], both of the Office of Economic Research, to an informal meeting with Owen J. Malone, Chief Counsel, Permanent Subcommittee on Investigations, Senate Committee on Governmental Affairs, Richard N. Perle and Peter Sullivan, both of the Subcommittee staff, which was held in 101 Russell Senate Office Building from 1530 to 1745 hours. The subject concerned the Agency's role in the Government's decision to grant an export license to Dresser Industries to sell the Soviet Union a technology to manufacture an oil drilling drill bit. The meeting was requested by Mr. Perle as part of the Subcommittee's investigation of the Government's granting of the license to Dresser. [REDACTED] made clear that the Agency has only an advisory role in the decision making to grant such a license, and gave a brief rundown of the Agency's reaction to the sale. (See Memorandum for the Record prepared by [REDACTED])
